collectionView - add the objects to an array I have a problem that is quite simple to explain. I have a UICollectionView. When the collectionView is pushed I need to add the contents of a specific UICollectionViewCell to an NSSet that is in an array. Here is the code: - (NSInteger)collectionView:(UICollectionView *)collectionView numberOfItemsInSection:(NSInteger)section { return _reviews.count; } - (UICollectionViewCell *)collectionView:(UICollectionView *)collectionView cellForItemAtIndexPath:(NSIndexPath *)indexPath { static NSString *CellIdentifier = @"Cell"; ReviewCollectionViewCell *cell = (ReviewCollectionViewCell *)[collectionView dequeue ReusableCellWithReuseIdentifier:CellIdentifier forIndexPath:indexPath];
