Moyea ppt to video converter product key with serial number. Related Activation codes: moyea ppt to video converter activation key, ppt to video converter product key with serial number. Related 3. A simple, easy to use, all-in-one multimedia tool for creating and viewing videos. The program is particularly effective and useful to convert ppt to video and audio formats such as mpg, mp3, wmv, aac, avi, mpeg, wma, and divx. You may also have a PDF file saved on your computer. Once you have chosen your video format, you need to select a slide or PDF. The program offers a variety of presets for use with a typical presentation. After you have selected a presentation, you can choose specific files or select files by name to add. Then, you can crop, rotate, fade, adjust brightness and contrast, and add music. When you are done, you can easily save the file or even send it directly to YouTube. The program is also ideal for any individual or team who needs to share their own slideshow, presentations, or portfolios. The main window of Moyea PPT to Video Converter v.3.0 has five tabs: Import, View, Tools, Settings, and Help. These tabs are located at the top of the main window. Below the five tabs are five icons: Export, File > Export, Edit > Export, File > Edit, and View > Export. Features: 1. Convert PowerPoint to various video formats such as mpg, mp3, wmv, avi, mpeg
