Burst into action with Adventure Island II. That Wicked Witch Doctor just kidnapped your favorite lady. And you need to get past EIGHT. You have weapons and you must fight monsters and pirates. There are many mysteries in the game. But this is not a game in which you will need to think. There is no task here to kill time. You must kill monster after monster. Even if it turns out to be your friend. And the enemies are not so few. And if you die, you won't be able to play anymore. This is not a monster game. This is a game for killing monsters. There is no choice here. And this is good. You don't have to think about whether you're doing the right thing. You just have to do.
