The most features for a low price. My widget work just the way I want it to. I had created it in vsto 2005 and it worked fine until I upgraded. It still works in 2006 but some functions are in english not greek. I tried to install only the english version it still greek. The most annoying thing is it keeps to the old file if I start again it greek not english. Former Hewlett-Packard Chief Executive Carly Fiorina is the first woman to run for president as a Republican, and one of her campaign proposals has been to abolish the U.S. Department of Education. A few other women ran in 2012, but they have since moved on to other things. While Fiorina has her detractors, it's clear that she can draw a crowd and that her message is resonating with many women. That alone is unusual for a candidate like Fiorina. But there are a few other reasons Fiorina is attracting attention from women. Here are five reasons why Fiorina is so appealing to women: 1. It's time to shake up Washington She's speaking to women because they're frustrated with Washington, D.C. "The majority of us, I believe, are angry," Fiorina told The Huffington Post in an interview. She said the majority of women are angry that they're not heard, and that the political system is not designed to listen. "We don't
