All the code are in the end of the file which is name "test.txt", and I did the upload process with this file. But my file is not showing on the sheet. Do you know what can I do? I would be very grateful if you can help me with this. A: For sheet formulas and HEX cells, using in column letters A,B, etc. and then copy/paste the formulas when applicable is the best practice. There is a detailed guide on formulas, and to prepare a cell for such solution, see this video. In this specific case, the solution is to search the cell containing the formula and replace A1 with the formula in some other cell: =HEX(LEFT(C9,4)) Copy the cell. Then use HEX(LEFT(.)) to get the formula. When I do this in the end of the file, the formula is copied to the next empty cell below. So it is easy to move it to any other cell. The trick is that you need to insert the right two characters, not just one, in order to get HEX. Q: How to allow decimals

in formats? How to allow decimals in formats in the Input Mask. e.g. var v1 = document.getElementById("v1").value; var v2 = document.getElementById("v2").value; document.getElementById("v3").value = "The value for '+ v1 +v2+' is " +""; Which returns the following: The value for 'v1' is " +v2+' is' +'.' Actually, the number is "123456" and "The value for '123456' is '

Aditya Arora, a former editor of The Hindu, has charged that he was "mentally tortured" during his tenure, and that it continued until he decided to retire on health grounds. His allegations were made in his first legal response to the newspaper's application to transfer Aditya Chaturvedi from the sensitive position of executive editor to the role of the company's chairperson. The case was filed on Friday. "My current health condition is a result of the mental torture which the company inflicted on me during my tenure as the executive editor," Mr. Arora alleged in his reply to the government of Andhra Pradesh. "The repeated and prolonged harassment of a person by some of the mainstream Hindu leaders, including the editor of The Hindu,
